## SUMMARY

---

Sustainability-driven designer seeking to further experience, deepen knowledge, and expand skill set within contemporary design. I am dedicated to my work and personal growth. I am seeking an opportunity to build a strong relationship with a company and help to cultivate a defined aesthetic.

## WORK EXPERIENCE

---

### Associate Designer, Shapewear & Bra Accessories

New York, NY  
January 2024 -

Dreamwear

Lead of Shapewear Team

- Researching trend, completing market research, and deciding seasonal development
- Completing product lifecycle for Shapewear in both Cut & Sew and Seamless Categories
- Attending fittings and analyzing photography for garment hang tags
- Presenting ideas and CAD/Trend presentations to Design Director, CEOs, and Buyers
- Sketching silhouettes via hand sketching and CADs using Photoshop and Illustrator
- Creating Trend Presentations and choosing seasonal color palettes
- Working with Sales team to determine stock orders and introducing new silhouettes
- Working with cross-functional Production Development to communicate with vendors and negotiate pricing

### Assistant Designer, Bottoms & Outerwear

West Valley City, Utah  
May 2022 - December 2023

Sundance Catalog

Collaborate with Senior Designer on:

- Researching trend and conducting market research
- Completing product lifecycle for bottoms and outerwear, including some styles in denim and leather
- Attending fittings and taking notes
- Presenting ideas and sketches to Design Director, Vice President of Apparel & Design, and CEO
- Sketching silhouettes via hand sketching and CADs using Photoshop and Illustrator
- Analyzing strike-offs, muslins, and prototypes
- Designing and re-coloring digital print artwork and embroidery
- Working with cross-functional Production Development to pass tech packs, communicate with vendors, and reaching desirable margins

### Design Intern

Cincinnati, Ohio  
May 2020 - August 2020

Sweet Dahlia Vintage

- Repaired vintage garments
- Custom vintage-inspired embroidery
- Patterned, sewed, and sold my own designs in recycled denim fabric
